

Alemite continues to raise the standard in the lubrication products industry with its new 14.4 Volt Grease Gun. The 14.4v grease gun delivers more power, longer run times, and increased quality and durability. The high-torque 14.4v motor enables the gun to reach 10,000 psi, allowing the lubrication of badly clogged fittings. Its high efficiency 14.4v battery provides optimum run time, up to 50% more than any other cordless grease gun in the world.

14.4 Volt Grease Gun

Features and Benefits

Design

- One fully charged battery can deliver up to 10 cartridges of grease
- 14.4 volt motor equipped with a thermal protector and optimized air flow to maximize motor life
- 3-foot ultra-flexible hose can handle 10,000 psi and makes lubricating even the most hard-to-reach spots effortless
- Heavy duty case with one-hour fast charger, high capacity 14.4 volt NiCd battery, and grease cartridge holders
- Ergonomic design with convenient attachment for carrying strap to make lubrication easier
- Chrome-plated barrel offers unmatched durability

Loading

- Convenient 3-way loading: 14-ounce cartridge, 16 ounce bulk, or suction loaded
- Patented automatic universal follower eliminates need to flip when changing loading method
- Air bleeder valve simplifies air removal during priming

Flow

- High-flow check valve optimizes flow characteristics
- Flow rate of 5 ounces per minute at 1,000 psi

Warranty

- One-year Alemite warranty

The Alemite 14.4v Grease Gun

- ① High-torque 14.4v motor
- ② High-capacity 14.4v NiCd battery (1,500 mAh)
- ③ Chrome-plated barrel with patented Automatic Universal Follower
- ④ 3-foot ultra-flexible hose (10,000 psi working pressure) with industrial grease coupler
- ⑤ Air bleeder valve
- ⑥ Convenient grease cartridge holder (grease not included)
- ⑦ High-flow check valve with easy access port
- ⑧ One-hour fast charger
- ⑨ Heavy duty carrying case
- ⑩ Convenient attachment for carrying strap (strap optional – part no. 339812)
- ⑪ Optimized air flow and thermal protector to maximize motor cooling

Models:

- 585-A (one battery) – U.S.
- 585-B (two batteries) – U.S.
- 585-C (one battery) – Europe
- 585-D (two batteries) – Europe
- 585-E (one battery) – U.K.
- 585-F (two batteries) – U.K.

14.4v Grease Gun Accessories

NiCd Rechargeable Battery Pack

Part no. 339992

Mobile Battery Charger

Part no. 339998

14.4v DC Input Battery Charger

Part no. 339989

Convenient Carrying Strap

Part no. 339812

Tool Bag

Part no. 340057
